

Dear PhD Students of IIT Delhi,

The British High Commission in New Delhi, through Pradyumna Bora, Senior Programme & Relations Manager of Chevening Scholarships, is eager to engage with the esteemed academic community at IIT Delhi.

Chevening Scholarships, funded by the British High Commission, are set to open soon, presenting fully-funded opportunities for postgraduate study and research in the UK. They are excited to engage with a minimum of 150 individuals from our institution.

Mark your calendars for [Date of event], where you can meet with them in person. However, if attending in person isn't feasible, they're open to exploring online alternatives.

Don't miss this engagement as it promises immense value, offering insights into these esteemed programs and how they can elevate your academic and research endeavors. We look forward to your active participation!

For inquiries and to express your interest, contact Pradyumna Bora at pradyumna.bora@fcdo.gov.uk or on mobile at +919910569858.

Best regards,
